COMPANY HISTORY

Modern Interior Solutions. Is a full-fledged interior solutions company capable of serving all of your discerning needs, by providing unparalleled services to corporates, hotels, Government Institutions, retail and developers. Our services are built around three core principles: integrity, workmanship and excellence. Led by a multi-disciplined team comprising of strategic interior experts, creative and innovative craftsmen. We plan, design, build and create with superior quality to the highest standards of manufacturing technology, simply what we call “**The Modern Standard**”.

OUR MISSION

“To be a strategic brand delivering valuable and innovative services for Interior projects”. Teamwork, continued customer satisfaction, and innovative interior solutions are fundamental to the success of our business model. No matter what your needs are, our promise to you is an environment you’ll love, on a budget you can afford, and within the time frame you expect.

Our success relies on the relationships we build and in our continued interaction with our clients thus cementing our understanding of their requirements, which results to a complete product delivery. Working with us is a rewarding experience, not just for the quality of our work but also for our effective execution and delivery methods. Shuaa works with you to design and deliver environments responsive to your unique needs and desires. All of our designers are qualified and experienced to enhance the function and visual impact of spaces to improve your quality of life.

QUALITY STANDARDS

- The quality policy of Modern Interior Solutions. has always been to render “State of the Art” quality service to customers in order to achieve and maintain market leadership through total customer satisfaction.
- Modern Interior Solutions. vendors must pass our stringent quality and service standards in order to become one. The vendors are evaluated for quality and service of their products at regular intervals.

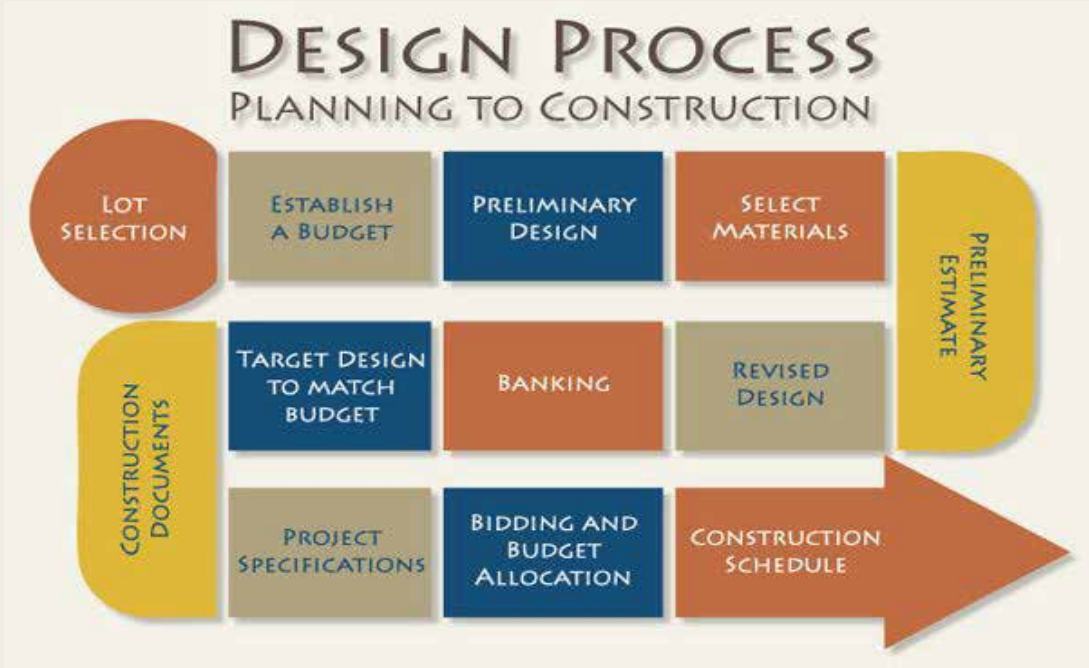

OUR GROUP

We work closely with our clients to design and develop the entire projects. Our specialized companies are able to undertake the entire process of any interior project with full control of each stage, from the concept to completion.

OUR PROCESS

With a clear and defined process; we manage all project stages. Client will have a clear understanding from the start receiving a detailed written proposal that specifies the project deliverables, milestone, materials and cost.
